AUDITOR'S OFFICE

The Auditor is the official custodian of all county buildings under the direction of the Board of Supervisors. The Auditor assists the Board of Supervisors in preparing the County's final budget package.

As Clerk to the Supervisors, the County Auditor accepts petitions, registers complaints and acts on routine business in the absence of the Board. The Auditor publishes bid notices and receives contract proposals. The County Auditor attends all board meetings, prepares the agenda packet, records minutes and publishes the proceedings in the official county newspapers. All documents acted on during Board meetings are filed in this office.

Real estate ownership records and assessments, drainage, bridge and road records are maintained by the auditor's office. Real estate valuation reports are compiled and sent to local cities and schools for their budgeting process and also to the State Department of Management.

This office calculates tax credit claims for reimbursement by the State. We also balance the County's financial records monthly and semi-annually.

All claims for payment from the County are processed by this office. We also issue payroll checks and employee tax withholdings.

Licenses and permits relating to the sale of cigarettes, beer and liquor at county businesses are processed by the Auditor's office. Insurance policies and surety bonds are filed in the Auditor's office. Township and other county office reports are submitted and filed in the Auditor's office.

In 1972, the State Legislature gave the Auditor an additional duty as Commissioner of Elections. In addition to Federal, State and County elections, the Auditor then assumed the responsibility of all City, School and Special Elections.

As Commissioner, the Auditor receives nomination papers and public measures to be placed on the ballot. The Commissioner supervises the printing of ballots and programming voting machines, as well as ordering all election supplies. The Commissioner conducts schools of instruction according to law for all poll workers and is responsible for their employment on Election Day.

The Commissioner prepares and monitors the processing of all absentee ballots in order to aid voters who cannot vote at the polls on Election Day. The Commissioner serves as Clerk to the Special Election Board. The Commissioner certifies the results of the election returns to the State or local entity and issues Certificates of Election to the proper persons.

The Commissioner maintains voter registration records for all registered voters in the county.

TREASURER'S OFFICE

The Treasurer's Office is made up of two separate departments - the Tax Department and the Motor Vehicle Department.

The Tax Department handles the following:

Collects all real estate, mobile home, special assessment, and drainage district taxes. Payments can be made on the internet at www.iowatreasurers.org, as well as in the office, or by mail. Once a month, these taxes are apportioned out to the separate taxing entities such as school districts, cities, and townships.

Sends out property tax statements in August for taxes payable in September and March. A penalty of 1 1/2% per month applies after September 30th and March 31st. On November 1st, a reminder is sent out for taxes that are delinquent on the September payment. On May 1st, all property owners that have delinquent taxes are sent a statement of what they owe and notice of the upcoming tax sale. In June, all delinquent taxes are published in a county newspaper. The annual tax sale is conducted the third Monday of June. Adjourned sales are conducted at least every two months.

Serves the proper notices and takes Deed for the county for non-payment of taxes.

Processes checks written by the County Auditor for payment of bills and payroll.

Receipts all other County Departments' monies into the proper funds.

Processes claims for low income elderly/disabled tax credits.

Receipts all state replacement monies such as homestead credit, military credit, agricultural land credit, elderly and disabled tax credit, and family farm credit.

Invests the County funds until they are needed.

Prepares various daily, monthly, semi-annual and annual reports as required by law.

The Motor Vehicle Department handles the following:

Issues, renews and replaces vehicle registrations and license plates. Registration renewals can be done on the internet at www.iowatreasurers.org, as well as in the office, or by mail. The County is allowed to keep 4% of the registration fees collected, while the remainder is sent to Iowa Department of Transportation on a monthly basis.

Issues and transfers certificates of titles for all vehicles including mobile homes, mobile equipment and vehicles licensed through reciprocity and salvaged vehicles.

Issues 30 day in-transit registrations for vehicles purchased in Iowa by out-of-state residents.

TREASURER'S OFFICE (CONTINUED)

Collects 5% Iowa One Time Registration Fee for the Iowa Department of Revenue on new and used vehicles sold and transferred. The County is allowed to keep \$1.00 per transaction processed, while the remaining tax collected is sent to the Iowa Department of Revenue.

Records and releases liens on all titled vehicles.

Processes claims for refunds of vehicle registration fees.

Issues junking certificates for vehicles permanently junked out or dismantled.

Collects funds for Anatomical Gift & Public Awareness Fund and remits 95% of the collections to the Iowa Department of Public Health. The County retains 5%.
